BIO

Born in 1985, Brendon began studying art from his earliest stages of school onwards, always opting for any class that could help him unleash his creative potential. Entering arts competitions all throughout his school years.

Brendon focused on Graphic Design and Painting during 6th and 7th form achieving a number of Scholarships at College. After spending a year working full time at an Internet Cafe in Nelson, it was time to begin some real study at Canterbury University in Christchurch. Working part-time at a record store for 3 years during study, 4 years later and he's in the last semester of his **Fine Arts Degree** majoring in **Graphic Design**.
